

Player Lookup Multi-Select

Player Lookup Multi-Select will allow you to filter by multiple Play Types and Age Groups with user-friendly pulldown menus and check boxes from the Player Look-up Screen.

To begin using this feature, navigate to **Player Lookup** from the left navigation under Players/Admins in the Affinity Sports Platform Classic View or from the Players/Admins navigation from the new Affinity 2.0 dashboard navigation.

The screenshot shows the 'PLAYER LOOKUP' interface for the 'Youth Fall 2016' season. The 'Player Lookup' section includes a 'Page Size' of 25, a 'Reset' button, and a 'Report' dropdown set to '--Choose Report--'. The filter panels are as follows:

- Select Club:** All Clubs, Select Club Detail, All Club Details
- Select Play Type:** All Play Types, Select Gender, All Genders, Select Age Group, Multiple
- Application Status:** All Application Status, Accepted, Paid, Order, Media Type, All, Application Date: From [] To []
- Disciplinary Filter By:** No Filter, Disciplinary Status: All
- Search:** Season: Selected Season, Search By: Last, First Name, Search For: [], Search button

The table header below the filters is: **Player Name**, Address, Team ID, Player ID, Birthdate, Appl Date, PlayLevel.

To filter by Play Type, choose **Select Play Type** by clicking in the Play Type box or on the downward arrow to open a pulldown menu. Using your mouse, click the check boxes for the Play Types you wish to search.

This screenshot shows the 'PLAYER LOOKUP' interface with the 'Select Play Type' filter set to 'Competitive'. The 'Competitive' checkbox is checked, while 'All Play Types' and 'R3PL' are unchecked. The 'Application Status' dropdown is set to 'All Application Status'. The 'Search' section remains the same as in the previous screenshot.

The table header below the filters is: **Player Name**, Address, Team ID, Player ID, Birthdate, Appl Date, PlayLevel.

If finished filtering data, choose **Search** to display your results.

To continue to filter data by Age Group, choose **Select Age Group** by clicking in the Select Age Group box or on the downward arrow to open a pulldown menu. Using your mouse, click the check boxes for the Age Groups you wish to search.
