Proposed Change to Rules

Submitted by: Rick Skirvin, Executive Director and Board Secretary

Existing Rules:

Entire Youth Rules and Regulations

Rules w/ proposed change:

Replace the word “league” with the words “member affiliate” wherever “league” is used in this context. Example:

180.1 Only teams properly registered with a ~~league or association affiliated with~~ member affiliate of Georgia Soccer Youth may be entered in the select programs or recreational divisions.

How the Rules would read after proposed change:

See above. Example:

180.1 Only teams properly registered with a member affiliate of Georgia Soccer Youth may be entered in the select programs or recreational divisions.

Rationale:

The word *league* is used in several contexts throughout the Youth Rules and Regulations. To avoid confusion, replace *league* with *member affiliate* wherever this meaning is indicated. The word *league* will remain in the context of a division of play.

This usage would be consistent with the definitions in the Georgia Soccer Bylaws:

4.1 “Affiliate” Any organization affiliated with GSSA, which has an identifiable membership of players, on whose behalf the organization conducts or engages in soccer activities in a manner consistent with the provisions of Article 2 (above). An Affiliate shall be further defined as the club, league, or association that serves as the basic administrative unit of GSSA. Each Affiliate must register all players and other persons participating in that Affiliate’s soccer activities with GSSA.

4.15 “GSSA Membership” A member is an individual, league organization that has applied for and/or been approved for affiliated membership with Georgia State Soccer Association. Membership in GSSA through each defined Affiliate is open to all players, coaches, trainers, managers, administrators, officials, referees and honorary members.

Proposed Change to Rules All U6 reference to include U4

Submitted by: Strickler, Life Member; Debbie Parks, Chair, Registrars Committee

Existing Rules:

120.1a, 170.1, 180.4, 220.2a, 230.1a, 230.1b, 230.6a, 410.1, 510.1, 510.2, 510.3, 520, 530, 530.2, 530.3e, 530.4g, 570.1k, 580.4, 610.1, 620, 630.1, 630.1a, 630.2, 640, 650.1, 660.1, 670.1

Rules w/ proposed change:

To change existing rules to incorporate the definition and recognition of the U4 program

How the Rules would read after proposed change:

Inclusion of U4 age group to all appropriate rules and regulations.

Rationale:

Housekeeping – U4 definition was included in our rules and regulations as an identifiable age group.

Proposed Change to Rule(s) 120.4 U10 – U12 Select Play

Submitted by: Carl Joiner Smyrna Soccer Club

Existing Rule:

120.4 Academy: Academy program is the select developmental program for boys' and girls' teams from U10 through U12.

Rule w/ proposed change:

120.4 Academy: Academy program is ~~the~~ **an optional** select developmental program for **leagues that do not wish to participate in the Classic and Athena programs for teams** boys' and girls' teams from U10 through U12.

How the Rule would read after proposed change:

120.4 Academy: Academy program is an optional select developmental program for leagues that do not wish to participate in the Classic and Athena programs for teams from age U10 through U12.

Rationale:

This rule would give leagues an option to participate in either the Classic and Athena program or Academy program at the U10 through U12 age groups. This would allow leagues with small numbers at the said age groups in the Academy program to play Classic and Athena and play a state-scheduled season. Leagues with small numbers are having a very hard time scheduling Academy play dates due to not enough teams. Smyrna Soccer Club had only 2 at home play dates for Academy teams during the Fall 2011 season.

Proposed Change to Rule 180.4c – Roster Size

Submitted by: Cy Strickler, Life Member; Debbie Parks, Chair, Registrars Committee

Existing Rule:

180. Team Registration

180.4c For U-11 and U-12, no team shall be allowed less than 8 or more than 14 registered players at any given time. For U-13 to U-15 recreational and select, no team shall be allowed less than 11 or more than 18 registered players at any given time. For all teams U-16 and older, no team shall be allowed less than 11 or more than 22 registered players at any given time; of these, no more than 18 shall be allowed on any game roster.

Rule w/ proposed change:

180.4c For U-11 and U-12, no team shall be allowed less than 8 or more than 14 registered players at any given time. ~~For U-13 to U-15 recreational and select, no team shall be allowed less than 11 or more than 18 registered players at any given time.~~ For all U13 and older Select teams and U14 and older Recreational teams, no team shall be allowed less than 11 or more than 22 registered players at any given time; of these, no more than 18 shall be allowed on any game roster.

How the Rule would read after proposed change:

180.4c For U-11 and U-12, no team shall be allowed less than 8 or more than 14 registered players at any given time. For all U13 and older Select teams and U14 and older Recreational teams, no team shall be allowed less than 11 or more than 22 registered players at any given time; of these, no more than 18 shall be allowed on any game roster.

Rationale:

This proposed rule change is in response to the approved rule change for the National Championship Series which increased roster limits to 22 players for U13 and up teams. Affiliates will still have the ability to define their own roster limits as long as they are not in conflict with those of Georgia Soccer or US Youth Soccer.

Proposed Change to Rule 310.2a – Select Programs

Submitted by: Cy Strickler, Life Member; Debbie Parks, Chair, Registrars Committee

Existing Rule:

310.2. Select Programs

310.2a. Once a select program player has registered with an affiliated league, the player is bound to that league from the date that registrations are due to Georgia Soccer (Rule # 180.5 or 180.6) to the end of the upcoming seasonal year. If registration information is submitted after that date, the player is bound to that league from the date that the registration is submitted to the end of the upcoming or current seasonal year.

Rule w/ proposed change:

310.2. Select Programs

310.2a. Once a select program player has registered with an ~~affiliated league~~ **affiliate member**, the player is bound to that league **affiliate** ~~from the date that registrations are due to Georgia Soccer (Rule # 180.5 or 180.6) to~~ **until** the end of the upcoming seasonal year **for which the registration applies**. ~~If registration information is submitted after that date, the player is bound to that league from the date that the registration is submitted to the end of the upcoming or current seasonal year.~~

How the Rule would read after proposed change:

310.2. Select Programs

310.2a. Once a select program player has registered with an affiliate member, the player is bound to that affiliate until the end of the year for which the registration applies.

Rationale:

Removes the reference to when registrations are due to Georgia Soccer. Once the player has registered with the member affiliate he/she is considered registered. The current rule caused some confusion with the Academy Program since teams do not have to be declared and the declaration date was always when registrations are due to Georgia Soccer. Affiliate Registrars will still be allowed to cancel a registration application if needed if before the team is activated.

Proposed Change to Rule 310.2b – Player Rostered to a Team

Submitted by: Cy Strickler, Life Member; Debbie Parks, Chair, Registrars Committee

Existing Rule:

310.2. Select Programs

310.2b Once a select program player is rostered to a team, a transfer request is required to move to a team in another league (inter-league) during that seasonal year; however, a player who leaves his/her team may not transfer to a team in another league until his/her team's full year commitments are completed including State Cup, unless the transfer request has been approved by all parties.

Rule w/ proposed change:

310.2b Once a select program player is registered with an affiliate and rostered to a team, a transfer ~~request~~ is required to move to a team in another league (inter-league) during that seasonal year; however, a player who leaves is released from his/her team may not transfer to a team in another league affiliate member until his/her team's full year commitments are completed, including State Cup, unless the transfer request has been approved by all parties.

How the Rule would read after proposed change:

310.2b Once a select program player is registered with an affiliate and rostered to a team, a transfer is required to move to a team in another league (inter-league) during that seasonal year; however, a player who is released from his/her team may not transfer to a team in another affiliate member until his/her team's full year commitments are completed, including State Cup, unless the transfer request has been approved by all parties.

Proposed Change to Rule 310.2d1 – Transfer Limits

Submitted by: Cy Strickler, Life Member; Debbie Parks, Chair, Registrars Committee

Existing Rule:

310.2. Select Programs

310.2d Once a select program player is rostered to a team, that player's financial obligation as published by the club and accepted by the player must be satisfied before a transfer will be approved.

1. Transfers are limited to a one transfer/player/seasonal year basis. The Georgia Soccer Registrar may approve an additional transfer in order to allow a player to participate when otherwise the player may not have the opportunity. In the event that a true U-14 player, playing up one or more age groups during the fall season, and whose team does not participate in a spring season, transfers to a U-14 roster in the league to participate in the Region III Premier League, the player will be allowed a second transfer per seasonal year to accommodate the player's transfer back to his original team.

Rule w/ proposed change:

310.2d Once a select program player is rostered to a team, that player's financial obligation as published by the club and accepted by the player must be satisfied before a transfer will be approved.

1. Players are limited to one transfer per seasonal year. The Georgia Soccer Registrar may approve an additional transfer in order to allow a player to participate when otherwise the player may not have the opportunity.

Rationale:

This proposed change is a result of the R3PL rule change that allows club passing in the R3PL program. True U14 players playing up during the fall can be rostered to a fall U14 team and club pass to a R3PL team.

Proposed Change to Rule 440.2 – Scoring

Submitted by: Debbie Parks, Chair, Registrars Committee; Cy Strickler, Life Member

Existing Rule:

440.2 Each team is required to electronically submit their game score into the ADG Scheduling / Gaming system within 72 hours of the match. Electronic game scoring consists of the following information: score by team, yellow / red cards for all players, and coach ejections for both teams. Additional information can be supplied in the comments section and with the required Coach Incident Report outlined in Rule 730.1a.

Rule w/ proposed change:

440.2 Each team is required to electronically submit their game score into the ADG Scheduling / Gaming system within 72 hours of the match. Electronic game scoring for **Athena and Classic teams** consists of the following information: score by team, yellow / red cards for all players, and coach ejections for both teams. **Electronic game scoring for RILS games consist of the following information: yellow / red cards for all players, and coach ejections for both teams.** Additional information can be supplied in the comments section and with the required Coach Incident Report outlined in Rule 730.1a.

How the Rule would read after proposed change:

440.2 Each team is required to electronically submit their game score into the ADG Scheduling / Gaming system within 72 hours of the match. Electronic game scoring for Athena and Classic teams consists of the following information: score by team, yellow / red cards for all players, and coach ejections for both teams. Electronic game scoring for RILS games consist of the following information: yellow / red cards for all players, and coach ejections for both teams. Additional information can be supplied in the comments section and with the required Coach Incident Report outlined in Rule 730.1a.

Rationale

To clarify that all misconduct for state level, interplayed programs is to be reported through the appropriate avenues and to insure that notification of suspended players is available by the scheduling / game day lineup sheet processes.

Proposed Change to Rules Glossary 850 – Player Registration

Submitted by: Cy Strickler, Life Member; Debbie Parks, Chair, Registrars Committee

Existing Rule:

800. Glossary

850. Player Registration – Parental submission of player information to an affiliated league authorizing participation of the player in all sanctioned play for the seasonal year. This may be accomplished either manually or electronically.

Rule w/ proposed change:

850. Player Registration – ~~Parental submission of player information to an affiliated league authorizing participation of the player in all sanctioned play for the seasonal year. This may be accomplished either manually or electronically.~~ Execution (via electronic or manual means) of an intent to play the sport ~~(via electronic or manual means)~~ and the paying of fees (as defined by the affiliate member) with a registered member affiliate of Georgia Soccer or member affiliate of a State Association of US Youth Soccer.

How the Rule would read after proposed change:

850. Execution (via electronic or manual means) of an intent to play the sport and the paying of fees (as defined by the affiliate member) with a registered member affiliate of Georgia Soccer or member affiliate of a State Association of US Youth Soccer.

Rationale:

Added wording to note players must be registered through an affiliate of US Youth Soccer to avoid a team using existing loopholes to gain opportunity to participate within our state. Also includes the payment of fees as part of a valid registration. The fee is outlined by the affiliate and can be \$0 for scholarship players, reduced fees, regular fees, etc.
