

**Georgia Soccer Board Policy on MLS Academy Team play in Georgia Soccer youth leagues**

The Georgia State Soccer Association, Inc. (Georgia Soccer) will allow the current Major League Soccer team based in Georgia, known as Atlanta United FC, to enter and play their Academy teams in the Georgia Soccer youth leagues.

The Georgia Soccer Board of Directors believes this will help achieve our mission to Promote, Grow, and Develop Soccer by allowing some of the best players in their age group to participate in our youth leagues.
