Coach:

For disciplinary sanctions, a coach will be any active official of the team (coach, trainer, manager, etc.) Or any person who is officially representing the team by being in the immediate vicinity of the "players bench", excluding those games where players and spectators are on the same side of the field AND are not physically separated by a barrier (e.g. fence).

NOTE #1:

Any coach or spectator who is dismissed during a match must, immediately and completely, remove themselves from sight and sound of the field of play. They are not permitted to return to the field after the game. Arrange to pick up children or equipment away from sight and sound of the field.

NOTE #2:

A coach or spectator who has been dismissed from a match cannot attend or observe that team's next scheduled and played game: this includes pre and post game activities at the field or complex.

NOTE #3:

Players who have been sent off during a match MUST serve their suspension at the next game of the team to which they are rostered, dressed in street clothes and sitting on the bench. For specifics, see Section 732 of the Georgia Soccer Youth Rules & Regulations.

NOTE #4: A hearing is warranted when the committee determines that the offense/infraction could result in more than a 1 game suspension.
