

Georgia Soccer Policy on Electronic Meetings

Approved 5/23/11

By resolution of the Georgia State Soccer Association, Inc. Board of Directors, meetings of the Board of Directors or its appointed committees may be held in an electronic manner when so agreed by the consent of the Board or the committee members for the purposes of conducting the business of the association. All other normal requirements of Georgia Soccer bylaws concerning meetings and quorums apply to electronic meetings.

Individual board or committee members not in attendance at the place of a regular meeting (face to face) may participate via electronic means provided all requirements of this policy are met.

Electronic meetings can be meetings conducted by telephonic conference or other such similar technologies. This option for meetings is in no way intended to limit the importance or value of regular “face to face” meetings, which are the core of the deliberative process.
