

Sample Letter to Club Families to solicit registrations and request understanding.

To families,

You may or may not be aware that there is a shortage of referees in Georgia and nationwide. What we are doing at "Insert Club Name" is implement a Junior Referee Program to help develop a pool of referees prior to certification age, which is 13.

This is a program for our younger players, aged 9-12. We put them through a precertification class to teach them the basics of refereeing a game, then put them on the field to get some experience. They will begin refereeing in our "insert program name" to gain experience.

We appreciate everyone's patience with these young referees. Just as the young players are learning to play the game, the young referees are learning how to referee.

If you have a young player interested in becoming a referee. It's a great way to give back to the game and earn a little extra money too.

Insert registration Information.

Thank for being part of our "Insert club name"
