100. ADMINISTRATION

110. Housekeeping: Georgia Soccer staff has the authority to renumber the Georgia Soccer Youth Rules & Regulations and to update nomenclature that has changed because of sponsorship change or division/program name change.

120. Georgia Soccer Programs: The Georgia Soccer Youth Select Programs Divisions (Athena, Classic, Academy and any other programs or divisions deemed to be designed for select level play), and Recreational Programs are the responsibility of the respective Georgia Soccer Representatives. Each representative will appoint a committee, subject to approval of the Georgia Soccer VP-Youth, to administer their program. The Representative shall serve as the program chairman. A list of each committee's membership stating name, age group represented, position, and contact information shall be available for all member affiliates. Each Committee shall be given wide discretionary authority to administer the program as long as same is consistent with the rules and policies set by member affiliates and directives from the Georgia Soccer Board of Directors in the operation of their duties. Each Committee shall be directly responsible to the Georgia Soccer Board of Directors in the operation of their duties

120.1 Recreational Programs: The Recreational Program is a developmental soccer program for all youth players. The member affiliate accepts as participants any eligible youths, without regard to skill level (subject to reasonable terms of registration).

The use of tryouts, invitations, recruiting or similar process to roster players to any recreational team on the basis of talent or ability is prohibited. Recreational players may not be "cut" from the team.

A system for rostering players to teams must be used to establish a fair and balanced distribution of playing talent among all teams participating in the same age group within the member affiliate.

120.1a To further enhance the Recreational Program, Georgia Soccer supports US Youth Soccer's teaching philosophy with respect to small-sided soccer in 04U, 06U, 08U, 10U, and 12U. This philosophy allows the game to be the teacher by maximizing each player's touches on the ball and encourages all the players to develop their skills in all positions. Further, the philosophy discourages intense competition until the older age groups.

120.1b Types of recreational games:

In-House: Single affiliate internal teams play each other. Scheduling of games is done by the affiliate.

Inter-affiliate: Two affiliates play each other. Scheduling of games is done by the affiliates.

RIAS (Recreation Inter-affiliate Scheduled): All affiliates are scheduled by Georgia Soccer.

120.2 Select Programs:

120.2a Academy: The Academy Program is the select developmental program for boys' and girls' teams from 09U through 12U.

120.2b Athena: The Athena Program is the select program for girls' teams, as girls' teams are defined by US Youth Soccer.

120.2c Classic: The Classic Program is the select program for boys' teams, as boys' teams are defined by US Youth Soccer.

120.2d Other Programs: Where other programs are not administered by Georgia Soccer, the Youth Board Representatives will set conditions which must be met by the program's rules. The affiliates involved must then submit the rules for that program to the Youth Board Representatives for approval before the program may begin play.

Where other programs are not administered by Georgia Soccer, the Youth Board Representatives will set conditions which must be met by the program's rules. The affiliates involved must then submit the rules for that program to the Youth Board Representatives for approval before the program may begin play.

120.3 Non-Traditional Programs: A non-traditional program is one that does not meet the normal parameters of youth play within Georgia Soccer. Teams playing within a school, church or other such group could meet the definition of being nontraditional. If an affiliate offers non-traditional type play, none of the teams within that affiliate may play in any of the other Georgia Soccer youth programs, nor may they play in any Georgia Soccer sanctioned tournaments which are geared toward traditional teams. Georgia Soccer will not administer non-traditional play.

120.4 Home Team: Team listed first on a schedule

130. Season

130.1 The US Youth Soccer Seasonal Year runs from September 1 through August 31 of the following calendar year and shall comprise two seasons of play: Fall and Spring.

130.2 The Fall season of play commences with the first league game of the Fall season and terminates with the end-of-season date published by Georgia Soccer.

130.3 The Spring season of play commences with the first league game of the Spring season and terminates with the end-of-season date published by Georgia Soccer.

130.4 Select: The number of games and length of the playing seasons shall be determined by the select committee. The select committee shall provide for play in both Fall and Spring. The select

committee will not schedule matches in conflict with the Georgia Soccer President's Cup or the Georgia Soccer State Cup - Youth where applicable.

140. Participation

- 140.1** Each member affiliate participating in Academy, Athena or Classic play must also have a recreational program. Member affiliates not in compliance will be subject to review and/or sanction by the Georgia Soccer Board of Directors which could include suspension of affiliate, probation of affiliate, Georgia Soccer youth tournament play restrictions and fines.
- 140.2** Teams must meet published "Team Declaration" deadlines. Failure to meet the deadline may result in non-acceptance of a team. If a team is accepted by the Playing Division Chair, a late fee will be applied.
- 140.3** Select Programs: A condition of entry of a team is field and referee availability in proportion to the number of teams entered. Teams for which member affiliates are not able to provide the required fields and referees may not be admitted. Failure to provide fields and referees may result in the removal of teams from the select program.

150. Administrative Procedures

- 150.1** Any questions on rules, policies, and procedures of select divisions should be addressed to that division's committee for resolution.
- 150.2** Recreational: All RIAS (recreational inter-affiliate scheduled) scheduling functions shall be performed under the auspices and subject to the approval of the Georgia Soccer Director of Youth Recreation and/or the Youth Recreation Committee.
- 150.3** The Youth Recreation Committee will ensure that all member affiliates have the ability to inter-schedule in a practical manner and will be subject to final review and approval of the Georgia Soccer Director of Youth Recreation to guarantee participation.
- 150.4** Scheduling and other administrative duties required for the coordination of each Select Age Group will be performed by the respective Age Group Coordinator.

160. Team Assignments

- 160.1** Team assignments into playing divisions and age groups by the respective committees shall be final and are not subject to appeal.
- 160.2** A team may request to play in an older age group, but not in a younger one. This request must be approved by the Select Committee.
- 160.3** The Select Committee will assign teams to appropriate playing divisions at the start of each season (i.e. - Fall & Spring), according to the following guidelines:
 - 160.3a** The number of teams in each division will be determined by the Select Committee and cannot be appealed.
 - 160.3b** Placement for 13U and 14U select teams will be determined by points accumulated during the previous season (i.e., either Fall or Spring). For these teams, relegation and promotion between divisions will occur twice a year and will be based upon the points standings from the previous season.
 - 160.3c** Placement for 15U and older select teams will be determined by points accumulated during the Fall. For these teams, relegation and promotion between divisions will occur once a year and will be based upon the points standings from the Fall season.
 - 160.3d** Select teams must maintain a majority of players from the previous season to maintain their slot unless their roster has like players to maintain the majority.

160.3e The Select Committee can modify these requirements where, in its judgment, compelling considerations justify it. (One example: National League Piedmont Conference or National League teams returning to state competition)

160.3f If one member affiliate merges with another in its entirety, the slot(s) assigned to that member affiliate's Select team(s) will not be vacated, but retained by the merged entity if the team or teams meet all other Rules and provisions.

170. Age Classifications

200. MEMBER AFFILIATE RESPONSIBILITIES

210.1 Each individual member affiliate will be responsible for selecting its teams for play in the Select Division Programs.

210.2 Team formations shall comply with all rules of Georgia Soccer Youth as amended.

220. Coach Selection

220.1 Each member affiliate is responsible for the selection of coaches for its teams.

220.2 It is recommended that all recreation program coaches meet a *minimum* coaching license as follows:

<u>Age Group</u>	<u>License Level</u>
04U - 08U	USSF Grassroots 4v4 License or Rec G 6U/8U Certificate

220.3 All select team head coaches must meet a *minimum* coaching license requirement as follows:

<u>Program Division</u>	<u>License Level</u>

220.4 When coaches move from one program division level to another, they have a one-year grace period to attain the required level license. [Example: Recreational to Classic IV or Athena D, Athena C to Athena B, Classic III to Classic II].

220.4a Coaches found to be in violation will be suspended from coaching until such time as they obtain the proper license. Member affiliates shall not designate an individual with the proper license as the coach simply to circumvent the intent of this rule. It is the responsibility of the member affiliate to insure that its coaches are properly licensed. Clubs/Associations shall provide a list signed by a club/association official of select teams and their coaches and trainers and license level of each on the date select team declarations are due. Failure to do so may result in the member affiliate's not being allowed to participate in the select programs.

220.5 All coaches, assistant coaches, and other team officials of Georgia Soccer youth select and RIAS teams will be required to have current US Youth Soccer passes provided through Georgia Soccer; these must be either paper or digital. No more than four such cards per team--or four per every 12 players where a player pool is used for academy rostering-- will be issued. The card shall indicate the current license level of the holder, if appropriate. The card shall be presented to the referee with the player cards to properly identify the coach(es) of the team.

220.5a To be valid, paper passes must have a recent picture of the individual permanently affixed and must be laminated.

220.5b To be valid, digital passes must be accessed through Affinity Sports (ADG) and have a recent picture of the individual.

220.5c In the absence of a credentialed coach, an adult 18 years old or older with a photo ID may assume the duties as game-day coach.

220.5d Any individual dismissed from a team technical area will be treated as a coaching official for that team.

230. Referees

230.1 Every team has the right to a neutral referee and assistant referees.

230.1a No referee or assistant referee shall officiate a game in which a relative is coaching or playing unless both coaches provide their specific prior consent by signing both game day lineup sheets. (04U, 06U and 08U are exempt from this rule.)

230.1b No referee or assistant referee shall officiate a game where they were a recent (within 1 year) member or coach of either team unless both coaches provide their specific prior consent by signing both game day lineup sheets. (In-house recreational games/play are exempt from this rule.)

230.1d In cases where a team has protested and won the game based upon the violation of any of the rules 230.1a – 230.1c, the Playing Division Committee shall make a determination on the outcome of the game based upon the recommendation of the Discipline and Protest Committee. Outcome decisions will be that the game stands as played, is

replayed in its entirety, or is charged as a forfeit. If the game is ordered to be replayed, the Playing Committee Division has the authority to determine where the game will be played and which team will bear the cost of the referees.

- 230.2** The individual member affiliates are responsible for providing referees, playing fields and times.
- 230.2a** In the event the appointed referee fails to appear within 30 minutes of the scheduled kick-off time, one of the assistant referees who are present, qualified, and age appropriate, shall become the referee.
- 230.2b** In the event that neither assistant referee agrees to take charge, the coaches may agree upon a volunteer referee.
- 230.2c** If no such agreement is reached, the game will be postponed.
- 230.2d** In the event a referee becomes ill during the game, the above procedure shall be followed.
- 230.2e** If the game is postponed, both team officials should notify their age group coordinator and division chair.
- 230.3** The dual system (i.e., two referees) of refereeing is not approved for Georgia Soccer youth games.
- 230.4** Reporting violations rests with the visiting team official and should be referred in writing to the appropriate Division Committee or for Recreational games, to the home member affiliate.
- 230.5** The referee(s) is in complete charge of the field and adjacent areas from the time the referee arrives at the game site until the referee departs. The referee is empowered to:
- 230.5a** Rule on what equipment or accessories are considered dangerous.
- 230.5b** Issue cautions, send offs, and dismissals for the entire period.
- 230.5c** Terminate a game for team official, player or spectator misconduct.
- 230.5d** Refuse to allow the game to be played if in the referee's judgment, the field is unplayable due to length of the grass, inadequate lines, or other impediments.
- 230.5e** The referee may depart the area certain of receiving his/her fee.
- 230.6 Recreational Programs**
- 230.6a** 04U through 19U: For games not scheduled by Georgia Soccer, each member affiliate reserves the right to determine whether to use certified referees, club linesmen, team officials, or parents.
- 230.6b** For RIAS (Recreation Inter-affiliate Scheduled) games, each member affiliate shall provide at least one certified referee, and it is strongly recommended that two certified assistant referees be utilized as well.
- 230.7 Academy Programs**
- 230.7a** 09U and older: Each member affiliate shall provide at least one certified referee for each game scheduled on its own fields.
- 230.7b** 09U and older: Member affiliates are encouraged to provide assistant referees for all games.
- 230.8. Select Programs Divisions**
- 230.8a** Each member affiliate shall provide three currently certified USSF referees for each 13U and older home match.

- 230.8b** The referee will be a minimum of 1 year of age above the maximum eligible playing age of the age group to be officiated with the exception of the 18U and 19U age groups, where an 18 year old referee may referee those ages.
 - 230.8c** Subsequent to the third reported violation of a member affiliate's using an underage referee (i.e., center official), the home member affiliate will be assessed a penalty for each violation that has occurred during the playing season.
 - 230.8d** At the conclusion of each playing season, each member affiliate shall pay a fine per official for each occasion in which (a) a game was played but a registered official was not used as a referee or assistant referee, or (b) a game was postponed, but not in accordance with the rules of the appropriate division.
 - 230.8e** Member affiliate fines due under this provision shall be paid before any of that affiliate's teams shall be registered in the select programs divisions for the following season.
- 230.9.** If a member affiliate knows in advance that 3 certified and qualified referees will not be available for a select game, the game may be rescheduled with approval of the appropriate program committee. This approval will require appropriate communication with the member affiliate's referee assignor.
- 230.9a** If a game is postponed for failure to provide required officials within the time limit for a Georgia Soccer Youth Select Program Division game, the following criteria will apply.
 - 230.9b** The game will be replayed at the home field of the original visiting team.
 - 230.9c** In addition, the original home member affiliate will be provided by email the cost of the referees & assignor fees by the original away member affiliate. With an email agreement from the original home member affiliate to pay for the referees, the AGC will reschedule the game. The original home member affiliate is required to make payment prior to the game starting on match day. Failure to pay prior to game being played, the original home member affiliate will forfeit the game.
 - 230.9d** A game cannot be played under protest due to the lack of the required number of certified referees. If a team official agrees to play/continue play once they become aware of the number and types of referees (certified versus club), the team official gives up the right to protest the game based on the number and types of referees. It is recommended that when choosing the club line person, the visiting team be given first right of refusal. Both team officials must provide their specific prior consent by signing both game day lineup sheets prior to play continuing. This does not eliminate the right to protest other misapplications of the rules.

240. Concussion Protocol and Heading Restrictions

- 240.1** Per U.S. Soccer's Concussion Initiative, if a player is suspected to have a head injury the referee is instructed to stop play to allow for treatment/evaluation as needed.
 - 240.1a If there is no referee in 4v4, this responsibility falls to the team officials and parents involved.
- 240.2** Per Georgia Soccer Youth Rules, the player must leave the field of play for additional evaluation; a substitution may be made in that moment.
- 240.3** The player with the suspected head injury may not return to the game unless a Health Care Professional (HCP) or Certified Athletic Trainer (ATC) has cleared the player
- 240.4** Any team official or parent insisting on returning the player to the game without approved clearance will result in the referee ending the game.

240.5 Heading

240.5a Deliberate or accidental heading is not allowed in 11U and below games. If a player deliberately or accidentally heads the ball in a game, an indirect free kick should be awarded to the opposing team from the spot of the offense. If the deliberate or accidental header occurs within the goal area, the indirect free kick should be taken on the goal area line parallel to the goal line at the nearest point to where the offense occurred.

240.5b Heading is allowed in games 12U and older without limitations.

250. Scheduling

250.1 Each member shall appoint a field scheduler/assignor, who will be responsible for assignment of time and field for each of their select and RIAS teams' home games and will update each time/field assignment in the scheduling system.

250.2 Each member will be required to have the first month of games scheduled and posted to the Georgia Soccer website no later than midnight the Sunday before the season starts. The rest of the season's schedule will be assigned and posted no later than 10 a.m. the Monday following the opening weekend of the season. Failure to do so may result in the loss of home games.

300. PARTICIPATION

310. Registrations, Transfers, and Releases

310.1 Recreation Programs

310.1a Once a recreational player has registered with a member affiliate, the player is bound to that member affiliate for the specified playing season (fall or spring) and until his/her team's post-season commitments are completed.

310.1b Once a recreational player is rostered to a team, and the team has been activated, an approved transfer is required to move a player to another team during the playing season. A transfer is not required when changing to another member affiliate after the playing season, between the fall and spring playing seasons, or between the spring and fall playing seasons.

310.1c For tournament purposes, a recreational player may play with another team as a guest player within the rules of the given tournament. Invitations to players listed on valid rosters for out-of-league play, such as indoor or guest player, must be initiated by the requesting coach through the player's current coach.

310.2. Select Programs

310.2a. Once a select program player has registered with a member affiliate, the player is bound to that affiliate until the end of the year for which the registration applies.

310.2b Once a select program player is registered with an affiliate and rostered to a team, a transfer is required to move to a team in another member affiliate (inter-affiliate) during that seasonal year; however, a player who is released from his/her team may not transfer to a team in another member affiliate until his/her team's full year commitments are completed, including State Cup, unless the transfer request has been approved by all parties.

310.2c A player may be released from his/her team at any time and will be put on inactive status with Georgia Soccer. In order to be returned to active status during the same seasonal year, the player must go back to his/her original member affiliate and re-register or initiate a transfer request with that member affiliate.

310.2d Once a select program player is registered and rostered to a team, that player's financial obligation as published by the member affiliate and accepted by the player must be satisfied before a transfer will be considered. (See Glossary for Definition of Registration.)

1. Select players are limited to one transfer to another Select team per seasonal year;

this includes intra-affiliate transfers. The Georgia Soccer Registrar may approve an additional transfer in order to allow a Select player to participate when otherwise the player may not have the opportunity.

- 310.2e** If a player believes he/she has an extraordinary reason to transfer outside of the parameters stated above, then the player must submit written notification of appeal with the rationale for consideration to the Georgia Soccer Registrar's Committee. Extraordinary circumstances could include but are not limited to unethical behavior by any party (to be determined by Georgia Soccer Ethics and Grievance - Youth) or significant change of address.
- 310.2f** Requests for transfers between teams in the same member affiliate (intra-affiliate transfers) will be processed at any time and require a transfer form
- 310.2g** For tournament purposes, a select program player may play with another team as a guest player within the rules of a given tournament. Invitations to players listed on valid rosters for out-of-league play, such as indoor or guest player, must be initiated by the requesting coach through the player's current coach or it is considered unauthorized recruiting. Once a coach has been contacted, he/she has the option to approve or deny the request. No player may guest play with another team without his/her current coach's and member affiliate's permission. Player is ineligible for guest play participation if there is an unserved disciplinary suspension.
1. If a member ascertains that another member of the association has violated this Rule, that member is entitled to seek redress by filing a grievance with the Georgia Soccer Ethics and Grievance Committee - Youth.
- 310.2h** Unless approved by current club of record, no team shall be allowed to transfer from one member affiliate to another member affiliate during the seasonal year.
- 310.2i** Teams may not disband during a fall or spring playing season. If a team disbands during a fall or spring playing season, the member affiliate may be sanctioned as the playing program committee deems appropriate.
- 310.2j** The team official and member affiliate may request that a player be released involuntarily from a team only if a player is unable to play for one of the following reasons:
1. Player had violated US Youth Soccer rules or state disciplinary rules.
 2. Player has moved beyond a reasonable travel distance.
 3. Player is injured in such a manner that he/she will be unable to participate for the remainder of the seasonal year.
 4. Player has abandoned team (i.e. been absent without excuse for four or more weeks).
- To request the release, the team official must submit a written request to the member affiliate's registrar.

310.3 Dual Rostering of Players

- 310.3a** All recreational and select players may be rostered to an outdoor team and an indoor team during the same seasonal year.
- 310.3b** True 14U select program players playing up one or more age groups during the fall season will be permitted to dual roster for the spring season with a 14U select team that participated in the fall season. The secondary team (see rule **310.3d**) must participate in the same program and the same or higher division within that program (Classic I, Classic II, Athena A, Athena B etc.) as the primary team, or the equivalent thereof (subject to rule **310.3h**).
- 310.3c** Any select program player whose true playing age group is 15U and above and whose

primary team does not participate in a spring season may dual roster with another team, either with its member affiliate or with another member affiliate, that is participating in the spring season (subject to rule **310.3h**).

310.3d The player's fall season team will be considered the primary team, and the spring season team will be considered the secondary team. Primary team games will take precedence over all other games.

310.3e If a player is rostered with both teams, that player may only participate in the Georgia State Cup with the primary team.

310.3f A team that adds players through dual rostering, as in Rule #310.3b, may have its spring season record discounted by the playing program committee when it decides promotion and relegation of teams.

310.3g A player registered in a non-traditional youth program may also register with a team in a Recreation, Classic, Athena or Academy program. In such instances, events related to the Recreation, Classic, Athena or Academy team will take preference over events of the non-traditional team.

310.3h Before a player is dual rostered, the primary coach must be given a minimum of five days written notice of intent to dual roster. The original player ID number and profile must be used by the secondary team.

320. Tryouts and Advertising

320.1 Player tryouts for Academy, Classic and Athena may not be held before the approved and published date.

320.2 All member affiliates shall have open tryouts for all select teams. Clubs/Associations may advertise their tryout schedules in the media of their choice at any point after the tryout dates have been set by Youth Representatives to the Georgia Soccer Board of Directors.

Advertising includes marketing your association, team, camp, tournament, tryout, or event through the public media, newspapers, radio outlets, mass mailings, etc. An e-mail distribution list put together by an individual or association that includes players/families that are registered with another club does not constitute a mass mailing and is prohibited at all times even during the open recruiting period.

Mass mailing is provided to Georgia Soccer youth members by using Georgia Soccer's database, with that database sent to a certified mailing house, and the content kept confidential from the individual or association using it.

1. Coaches' data is available to all entities so that clubs can market their tournaments to coaches and teams.
2. Player data is not available to be purchased by youth clubs for any reason at any time. Player Data will be available to colleges for the purpose of marketing their team camps but will still be kept confidential via the mail house.
3. Clubs can mass mail to their own in-house mail list which is available to them through the registration program.

320.2a The announcement/advertisement must be limited to the following: tryouts must be open to all players, the name of the club/association must be clearly stated; its business address, and telephone number, complete dates, times, places and coaches for tryout sessions may be included if available.

320.2b No language can be incorporated which would deny the right or ability of any youth soccer player of the correct age to participate; or which would restrict eligibility for the

team to any arbitrary prerequisites such as particular school, church, housing, subdivision, etc.; nor can the advertisement serve in any way, directly or indirectly, to coerce or threaten players to try out for a particular member affiliate's team versus another.

320.2c A member affiliate may advertise for unregistered players at any time.

330. Recruitment for Select Program

330.1 Prior to May 1, no person may directly or indirectly induce or attempt to induce a player to leave the team for which he/she has registered without either written notice to the player's coach or an approved release on file in the electronic registration system.

330.2 Prior to May 1, no registered player may directly or indirectly contact any other team during the current seasonal year without either written notice to the player's coach or an approved release on file in the electronic registration system.

330.2a If a member ascertains that another member of the association has violated the recruiting rules, that member is entitled to seek redress by filing a grievance with the Georgia Soccer Ethics and Grievance Committee - Youth.

330.3 Recruitment Sanctions: If a coach, team official, player, parent of a player, or anybody acting on behalf of the team is found guilty of unauthorized recruiting, the sanctions may include, but are not limited to the following: warning, coach suspension, tournament play restrictions, team advancement restrictions, coach dismissal, and team suspension.

340. Adult Program

340.1 A player may register with Georgia Soccer Youth and Georgia Soccer Adult during the same seasonal year.

340.2 Youth games take preference (US Youth Soccer).

340.3 The player retains youth eligibility so long as youth registration is maintained.

340.3a Suspensions or other disciplinary actions must be honored by both member affiliates.

350. Professional in Georgia Soccer Youth Programs

350.1 In keeping with the amateur nature of Georgia Soccer, and to reduce the potential for conflict of interest and abuse, Georgia Soccer prohibits all professional sports persons from participation as players in Georgia Soccer youth programs.

350.2. A professional sports person is defined for this purpose as anyone who derives a significant portion of their income from involvement in professional sports.

400. PLAYING RULES

420.2 Valid digital passes must be accessed through Affinity Sports (ADG) and have a recent picture of the individual. It is recommended that teams presenting digital passes have backup paper passes available.

420.3 All Recreational passes expire at the end of each season. Referees will only accept passes for the current playing season (fall or spring).

420.4 Select teams that change division of play between the fall and spring seasons are required to have new player passes printed in the spring showing the correct division of play.

420.6a Any player without a valid pass shall not be permitted to play in the match.

420.6b A team that does not present its passes to the referee prior to the beginning of the match shall forfeit that match unless, in the Division Committee's discretion, valid extenuating circumstances were present.

430. Game Day Lineup Sheets

430.1 The referee shall not allow a match to take place unless prior to the start of a match, a game day lineup sheet is prepared by an official of each team and presented to the game official, except in the 04U to 08U program. The game day lineup sheet shall include the correct date of the game, the name and jersey number of any players serving a disciplinary suspension, and the name and jersey number of all participating players including club pass players.

430.1a A team must have the player jersey numbers pre-printed on the game day lineup sheet. Failure to do this will result in one penalty point per game assessed against the team totals.

430.1b This penalty point shall be removed from the team if the team demonstrates to Georgia Soccer that they have fixed the issue within 72 hours (Wednesday) following the weekend games.)

430.2 For Academy and in-house recreational games: If an electronic form is not available, the game day lineup sheet shall be presented on a member affiliate /club /state-provided official game day lineup sheet.

430.3 For Select (13U and above) and RIAS teams: The game day lineup sheet shall be prepared

electronically using the Affinity system. Any player not listed on the game day lineup sheet at the start of the game, or whose name is handwritten and not preprinted on the game day lineup sheet shall be ineligible to play in that game. Game officials may, however, add handwritten names of players from the opposing team, provided those names appear on the opposing team's own preprinted game day lineup sheet as presented before the game, making those players eligible to play in that game.

430.3a A team shall present two pre-printed game day lineup sheets to the game official prior to the beginning of the match; if the match has been rescheduled, the game day lineup sheet must reflect the new date.

430.4 Game officials must check the paper or digital passes and pre-printed game day lineup sheet before each game and report any discrepancies to both coaches. If the game official fails to perform this duty properly, and players are allowed to participate in the game who were not listed on either game day lineup sheet, those players will be deemed ineligible and a forfeit will be charged against the team with which the players participated

450.3 The Home Team is to provide the game ball, a properly lined and cut field, nets and corner flags.

450.4 All spectators, team officials, and sidelined players must stay clear of the touchline between the corner and the 18-yard extension of the penalty box.

450.5 When at all possible a LINE should be placed three to five (3 to 5) yards behind the touchline to keep team officials, spectators and substitutes back from the field and out of the assistant referee's way.

450.5a All team officials, spectators and substitutes should remain three to five yards behind the touchline when physically possible.

450.5b The referee or assistant referee may, at any time, restrict the sideline movement of team officials, players and spectators.

510.5 Field size will not be a matter for protest.

510.6 A technical area, as defined in the Laws of the Game, shall be marked in the area designated by the host member affiliate for players' seating, unless such marking is not feasible due to the layout or arrangements of the particular field. The technical area shall not be marked nearer to the touchline than one yard. There are no other specific dimensions required for the technical area. Guidance for markings can be found in the Laws of the Game. In situations where no bench is provided, it is recommended that the technical area not exceed twenty yards in length (parallel to the touchline) and that the two technical areas be defined on the same side of the field equidistant from the halfway line. If on the same side of the field, the technical areas should begin 10 yards from the halfway line and extend 20 yards toward the goal line.

510.7 Build-out lines

- 510.7a** The build-out line promotes playing the ball out of the back in a less pressured setting. Build-out lines should be equidistant from the penalty area lines and halfway line OR Build-out lines should be 8 yards from halfway line.
- 510.7b** When the goalkeeper has the ball in his or her hand hands during play from the opponent, the opposing team must move behind the build-out line until the ball is put into play

- 510.7d** After the ball is put into play by the goalkeeper, the opposing team can cross the build-out line and play resumes as normal.
- 510.7e** The opposing team must also move behind the build-out line prior to a goal kick and may only cross the build-out line once the ball has left the penalty area.
- 510.7f** If a goalkeeper punts or drop kicks the ball, an indirect free kick should be awarded to the opposing team from the spot of the offense. If the punt or drop kick occurs within the goal area, the indirect free kick should be taken on the goal area line parallel to the goal line at the nearest point to where the offense occurred.
- 510.7g** The build-out line will also be used to denote where offside offenses can be called.
- 510.7i** Players cannot be penalized for an offside offense between the halfway line and the build-out line.
- 510.7j** Players can be penalized for an offside offense between the build-out line and the goal line.

510.8 Build-out Line Practical Applications

- 510.8a** Ideally, the goalkeeper will wait to put the ball into play once all opponents are past the build-out line.
- 510.8b** However, the goalkeeper can put the ball into play sooner but he or she does so accepting the positioning of the opponents and the consequences of how play resumes.
- 510.8c** To support the intent of the development rule, coaches and referees should be mindful of any intentional delays being caused by opponents not retreating in a timely manner or encroaching over the build-out line prior to the ball being put into play.
- 510.8d** Coaches are responsible for addressing these types of issues with their players.
- 510.8e** Referees can manage the situation with misconduct if deemed appropriate.
- 510.8f** Referees should be flexible when enforcing the 6-second rule and counting the time of possession should only begin when all opponents have moved behind the build-out line.
