Bylaw w/ proposed change:

Article 8. Section 1. Part 5 The SAGM shall be held in June, July or August as designated by the Board of Directors at their April meeting. The meeting may be held in person or virtual platform.

How the Bylaw would read after proposed change:

Article 8. Section 1. Part 5 The SAGM shall be held in June, July or August as designated by the Board of Directors at their April meeting. The meeting may be held in person or virtual platform.

Rationale:

This provides flexibility to the board to select a medium for the meeting that will still allow for the business of the association to take place.
